

These are the three main functions after logging in: grades, volunteer achievements, and files

Click on the grades button in the main menu to enter the grades page.

Student Grade Management System				
Course Name	Year	Semester	Credit	Score
数学	1	2	1	100
英语	2	1	4	50
政治	3	1	5	10
高等数学	2	2	5	60
12	12	12	3	12
语文	1	2	1	50

You can see the entered grades. Below is the function menu bar. You can select to add grades, modify grades, delete grades, filter grades with terms and academic years, and generate a line chart of average grades.

Add grades: Enter various information
